supplies company,
working to a high
quality and ethical
manner is our de
facto..."***

Pharmacon Global Ltd is an established wholesaler of pharmaceutical and healthcare products. We are regulated by the MHRA (Medicines & Healthcare Regulatory Agency) of the UK. Our broker registration number is BRKR 45038.

Pharmacon Global is committed to supplying an approved range of PPE equipment.

This is across the public sector and private firms ensuring supply of:

- **Hand sanitiser**
- **KN95 masks**
- **FFP2/3 masks**
- **3-ply masks**
- **Face shields**
- **Nitrile/vinyl gloves**
- **Medical Gowns**

We ensure that our PPE kit is fully certified and insist that we have the necessary declarations of conformity.

Simply tell us your needs and we will build the complete solution to meet them.
